About Me

I am a student at Patan Multiple Campus, studying Bsc.CSIT in my 3rd semester . I have a keen interest in the IT field and actively participate in activities to learn more.

I also make sure to stay updated with the latest trends in the IT industry by exploring online resources and attending seminars.

Through various IT projects, I have gained practical experience in problem-solving and managing projects. I am enthusiastic about growing and contributing to the IT industry.
